The NAIA, which offers 23 championships in 13 sports, has 50,000 student-athletes participating at nearly 300 member colleges and universities throughout the United States and Canada.

The NAIA Champions of Character program is an educational outreach initiative which emphasizes the tenets of character and integrity, not only for NAIA college students, but for younger students, coaches and parents in our communities. We all have a role in developing students of character, and the NAIA Champions of Character program offers training, guidelines and behavior models to create positive environments that promote personal growth and fun sport activity.
